

WASHABLE KEYBOARD

Applications:

- Healthcare
- Workstations on Wheels
- Wards
- Labs
- Medical Offices

Silicone Keyboard

WMSKB-1

The Wamee Silicone Keyboard is ideal for healthcare environments, especially workstations on wheels and wall mounts due to its magnetic underside. This full size keyboard has a washable design ensuring easy cleaning and disinfecting and membrane switch for quieter and faster key response. A choice of three backlight colours aids data entry in low light environments.

The WMSKB-1 withstands stringent disinfecting procedures and is easy to clean by wiping or washing.
