

Slim Line Wall Arm | Capsa Healthcare

The Slim Line Wall Arm workstation offers a space-saving and efficient solution for clinical documentation in healthcare settings. Its ergonomic design ensures comfort and adaptability, allowing seamless transitions between sitting and standing positions. With an easily adjustable work surface height that locks securely in place, you can work with optimal stability and focus.

**Features**

- Workstation folds to within 10.5cm from the wall for compact storage
- Generous 54.6cm x 30cm work surface with spill retaining lip for supplies and medications
- 38cm of locked position height adjustment with comfort grip actuator
- Keyboard drawer extension with integrated wrist rest reduces strain
- Monitor adjusts for ergonomic viewing from any direction
- Dedicated channels for cable management improve installation and conceal unsightly cables
