WaveClean Guardian Keyboard

Medical Grade, Compact, Waterproof, Washable White Keyboard

The Wamee WaveClean Guardian keyboard is designed to eliminate up to 99.9% of harmful bacteria and germs from every crevice of your keyboard. WaveClean Guardian not only ensures a pristine, germ-free typing experience but also boasts an ergonomic and stylish design, seamlessly combining form with function. Its responsive, whisper-quiet keys guarantee a comfortable typing experience, while the sleek, spill-resistant removable silicone guard ensures durability and ease of maintenance.

Features

- Removable, washable silicone guard
- Membrane switch for quieter, faster key response
- Quick Connect functionality - USB plug and play connectivity
- 4 Adjustable feet
- 75mm x 75mm Vesa Plate fixing option
